Asia's hub for air cargo and logistics: set to take off with us?

Be there in 2022

Since air cargo China 2020 unfortunately had to be cancelled due to the Covid-19 pandemic, it is all the more important to plan your participation in air cargo China 2022 early on and to resume business and especially personal contacts that could not be made due to the pandemic.

And what better place to meet and see your customers, partners and getting new contacts than at the next air cargo China 2022 in Shanghai.

Shape the industry with us: showcase your company and solutions at air cargo China 2022 from **June 15 to 17, 2022 at the Shanghai New International Expo Centre.**

» **transport logistic China 2018 including air cargo China 2018**
Over 26,300 visitors from 67 countries and regions

» **transport logistic China 2018 including air cargo China 2018**
667 exhibitors from 65 countries and regions

» **air cargo China Conference 2022**
On all days of the show: presentations and discussions on the latest industry trends

Secure your stand space now:

» www.aircargochina.com/application

Your five reasons to attend

Over 5,000 m² of exhibition space exclusively for airlines, airport, forwarding agents, cargo handling companies, express services, logistic providers and others. Are you in?

» Sector's leading event

Be a part of Asia's most relevant airfreight forum.

» International attendance

Generate valuable new contacts to expand your global network.

» More business

Get in contact with decision-makers with high investment confidence.

» Major networking potential

Meet business partners from other logistics sectors: air cargo China is part of transport logistic China.

» Latest sector trends

Enjoy high-caliber presentations, discussions and knowledge exchange.

Trends in air freight. Stay on top of things.

Want to know the major challenges of the air cargo sector? Then don't miss the air cargo China Conference 2022 which is a unique occasion to exchange knowledge and discuss the recent industry trends—both from an Asian and a global perspective. All participants of air cargo China can attend this high-level conference free of charge.

Pia Berghoefer,

Manager, Marketing & Communications, DB Schenker, Germany

"I think transport logistic China is Asia's largest logistics fair and this is our fourth time to participate. It definitely shows the atmosphere as the big global logistics fair. Here we meet with our customers and improve our brand awareness."
